

Hello Common Grace Family,

Our YouthGrace teens need your help.

Last year, the original “Gracemobile”—our 2005 Toyota van—was an invaluable tool, allowing us to shuttle some of our young mentors from Kaimuki High to their waiting elementary schoolers. By the end of the year, kids, both big and small, had been transformed through the power of meaningful relationships. Our poor “Gracie,” however, was on her last tire. She had 154,000 miles on her, a busted window, a cracked headlight, and an iffy clutch. The AC pooped out and the radio only played rap music. (Just kidding! Actually, the radio was the only thing left that actually worked.)

Long story short, the board agreed we needed a safer and bigger car, so that’s exactly what we got. Meet the new Gracemobile!

It’s a 30mpg, 7 passenger Mitsubishi Outlander --- exactly what we need. Fully insured, with strictly approved drivers, the new Gracie will be a multi-purpose vehicle for our ministry, transporting energetic teens to the elementary

school, hauling games and books, and being our office on wheels. Least expensive in its class, it cost us \$29,000.

By selling the old, decrepit van we brought the total down to \$26,600, but now we need your help! A gracious local pastor has offered \$10,000 in matching funds. Wow! We are hoping you can help us raise the remaining \$16,600. If you can give a meaningful donation you would be providing our YouthGrace kids with the vital transportation they need to keep pouring kindness into the lives of lonely elementary school-age children. Of course, your donation will be fully tax deductible.

Thank you once again for “helping us help kids” through your generous gifts! We are blessed to have such a dedicated Common Grace ‘ohana and look forward to updating you in the coming year. We are growing, yes, but not too fast or too big to be able to focus on one little kid at a time.

Grace to you and yours,
